CASS

State Route 28, five miles north of Green Bank

Join the Mountaineer BMW Riders as we reflect on the freedom we enjoy as Americans and remember the sacrifices made by so many to preserve our freedom. This year the Cass Memorial Day rally will again be dedicated to providing everyone the opportunity to relax, slow down and explore this beautiful region of West Virginia. A few of the area's attractions are: Cass Scenic Railroad (steam train ride), Green Bank Radio Observatory (tours), Spruce Knob (highest point in the Mountain State), Seneca Rocks (providing premier rock climbing) - all linked by excellent motorcycle roads.

At the campground, we will provide soup and sandwiches on Friday evening until 21:00, dinner Saturday evening and coffee, tea and hot chocolate around the clock. This rally is small and friendly. Our goal is to foster a family of satisfied patrons. BMW riders and their guests are cordially invited to attend.
