

Mountaineer BMW Riders

BMWMOA #34

Memorial Day Weekend

May 27, 28, 29, & 30, 2011 (Fri, Sat, Sun and Mon)

We decided to keep it going until Sunday night, departing Monday morning. Price is unchanged!

Boyer Station Campground

Boyer, West Virginia

Join the Mountaineer BMW Riders as we reflect on the freedom we enjoy as Americans and remember the sacrifices made by so many to preserve our freedom. This year the Cass Memorial Day rally will again be dedicated to providing everyone the opportunity to relax, slow down and explore this beautiful region of West Virginia. A few of the areas attractions are: Cass Scenic Railroad (steam train ride), Green Bank Radio Observatory (tours), Spruce Knob (highest point in the Mountain State), Seneca Rocks (rock climbing and spelunking)-all linked by the excellent motorcycle roads.

At the campground, we will provide hotdogs until they run out on Friday evening until 21:00, catered dinner Saturday evening, Sunday afternoon chili and grilled cheese sandwiches. There will be coffee, tea and hot chocolate around the clock. This rally is small and friendly. Our goal is to foster a family of satisfied patrons. BMW riders, their guests and like minded motorcyclists are all invited to attend.
